

**Proudly
Present:**

BSA Astronomy Merit Badge

Saturday, December 11, 2021
beginning at 9am

COST: FREE

If you are a leader or scout who has a telescope, let me know—you can teach Members of Scouts BSA:

You will complete the requirements for **Astronomy Merit Badge**, there are a few prerequisites that you can complete easily and bring the paperwork with you to the class.

We will be setting up telescopes at a local park weather permitting.

The class will be held at: **The American Legion**
225 East Holding Street
Wake Forest, NC 27587

Water and Coffee will be available. Bring your own lunch, and Drinks

Leaders, please sign up at as a unit if possible

<http://n4mqu.com/registration>

Dress for the weather, we will be going outside in groups to look at the night sky thru telescopes. Bring lights with red or green lights.
